

DORAL LEADERSHIP INSTITUTE

&

DORAL COLLEGE

Quick Guide
2026-2027

A NOTE TO DLI PARTICIPANTS:

Welcome back! We're absolutely delighted to continue our journey with the Doral Leadership Institute Community for the 2026-2027 academic year. As your close partner, Doral College is here to support you every step of the way. Our comprehensive course options are designed with your needs in mind, grounded in the latest best practices to help you thrive at every stage of your career.

To ensure you have the best possible experience with us, please keep the following guidelines in mind:

1. Do I need to apply to Doral College to take courses?

Yes. First-time participants must apply for admission to Doral College in addition to registering for courses on KickUp (formerly Frontline). Apply at <https://doral.edu/apply>.

2. What is the difference between KickUp and Doral College's systems?

KickUp (formerly Frontline) is a separate platform used by DLI to track professional learning records. Selecting a course on KickUp starts the registration process, but does not enroll you in the course. Doral College manually completes enrollments after the KickUp registration period ends.

3. How do I register for courses on KickUp?

As a DLI participant, you will want to sign up for courses via the KickUp app, which can be accessed through your work Colegia account. Once in KickUp, select "Browse Events." You may search for the course title or filter by the source "Doral College." For further assistance with KickUp registration, please contact your school's professional learning liaison.

4. Where can I find DLI policies and procedures?

Participants should review the DLI Policies and Procedures before registering. These are available at <https://doral.edu/dli> and included as an addendum in your enrollment agreement.

5. How do I drop a course after the KickUp registration period closes?

Once the KickUp registration period closes, dropping a course in KickUp alone will not cancel your registration. You must email your drop request to the DC Student Affairs Help Desk at studentaffairs@doral.edu by the published deadlines, as outlined in the DLI Policies and Procedures.

6. Are Zoom sessions required?

Beginning Fall 2025, a mandatory Zoom session will be held during the first week of each term for any course that is part of the BSED or EPI programs. This is a requirement for all students enrolled in these courses, regardless of whether they are degree-seeking. Any student who fails to attend the session will be reported as a "No Show" and will be dropped accordingly. To verify whether a zoom is required for a course using this guide, refer to the "First Week Zoom Required" column on the Course Offerings listing.

7. How does Doral College award credit for DLI courses?

Doral College awards academic credit (not Master Plan Points). For recertification, one college credit = 20 Master Plan Points (MPPs). Credit earned will appear on your college transcript, not in KickUp.

8. What other programs does Doral College offer?

In addition to professional learning, Doral College offers:

- Associate's and bachelor's degrees
- A Master of Education in Educational Leadership

Explore all programs at doral.edu.

9. Who should I contact if I have questions?

Email the DC Student Affairs Help Desk at studentaffairs@doral.edu with any questions.

We wish you a successful 2025–2026 school year and look forward to helping you achieve your professional learning goals!
