Q31 What were your most favorite experiences at Doral College?

Answered: 9 Skipped: 2

1	My most favorite experience as a member of Doral College was certainly participating in the Bioethics Bowl for three consecutive years. The Bioethics Bowl, with the preparation that comes along with it, helped me greatly improve my public speaking, critical thinking, and writing skills. Overall, it has been one of the most fulfilling academic experiences I have had so far. Another of my favorite aspects of the college is the fact that I have had the opportunity to participate in the mice longevity study. I believe that being part of the only group of high school students in the nation participating in this study gave me an advantage in the college admission process.	5/7/2015 11:25 AM

1	My least favorite experience was taking the Advanced Writing class with Mr. Nodarse. I did not have a good experience with Mr. Nodarse as it was extremely difficult to get in contact with him. I also disliked the fact that, at times, the BrainHoney software had a lot of glitches. However, teachers and faculty were very good at addressing these issues by modifying deadlines or giving alternative methods to submit work.	5/7/2015 11:25 AM

Q33 How could the student experience at Doral College be improved?

Answered: 9 Skipped: 2

#	Responses	Date
1	I definitely think that the high school schedule of dual enrollment students should be taken into account when setting deadlines. For instance, this year the capstone deadline as well as the final exam dates for the college courses were the same week as high school AP exams. I think that if the college's deadlines did not coincide with AP exam dates, students would be able to put more effort into their capstone projects and into their college finals.	5/7/2015 11:25 AM
2	clearer requirements for capstone	5/7/2015 10:19 AM

6	I had a great experience and cannot think of a way to improve it.	5/4/2015 12:19 PM
7	Align schedules more thoughtfully with highschool AP testing, i.e. try to reduce overlap between DC finals and AP testing	5/4/2015 12:10 PM
8	The student experience is excellent.	5/4/2015 11:50 AM
