

ACADEMIC PLAN FOR DORAL COLLEGE STUDENTS

PURPOSE: The following plan is suggested for degree-seeking students who begin in 7th grade and plan to earn the AA fully with Doral College, without transfer or exam credit. Courses should be taken in the sequence provided deviations should be discussed with your Doral College advisor.

SUBSTITUTIONS: Courses marked with an asterisk* may be substituted for others, based on course availability. Courses marked with an asterisk** may be substituted for others in that subject area only, based on course availability. Students should consult the semester's offerings and discuss possible substitutions with their Doral College advisor. If available, students should use substitutions as an opportunity to explore possible career majors.
