

Bachelor of Science in Criminal Justice

Build a Future in Law Enforcement and Public Service with a Flexible Online Degree

The Bachelor of Science in Criminal Justice (BSCJ) prepares students for impactful careers in criminal justice and public safety. Through a multidisciplinary curriculum that integrates law, psychology, sociology, public administration, and forensic science, students gain a strong foundation in criminology, law enforcement, corrections, juvenile justice, and ethics. The program emphasizes critical thinking, analytical skills, and an understanding of the social and ethical dimensions of justice. Graduates are workforce-ready, equipped with the practical knowledge, professional skills, and ethical foundation needed to serve and strengthen their communities.
