

Bachelor of Science in Elementary Education

Begin your path to teaching excellence with Doral College's BSED Program

The College's new Bachelor of Science degree in Elementary Education with endorsements in Reading and ESOL will equip you with the knowledge and skills necessary to begin a career in elementary education. Graduates of the program emerge ready to succeed in the K-6 classroom setting so their students can do the same.

Don't have an Associates degree to transfer in? No problem. Begin with the College's A.A. program and articulate directly to the B.S. degree.
