

Master of Education in Educational Leadership Program

Empower Minds with Doral College’s MEd Program

The curriculum of our Master’s program combines theory and practice applicable to both real world settings and the Florida Educational Leadership Exam (FELE). Comprehensive coursework covers crucial topics in the field including school law, budget management, instructional leadership, and human resources development. Upon program completion, including successful passing of the FELE, students will be eligible to earn Level 1 Leadership licensure in the state of Florida.

Courses are accessed online using intuitive educational platforms with dedicated student support tools like an extensive online library, quality online tutoring, and technical support. Coursework is enhanced through two 8-week internship courses which allow students to put theory to practice in a school-setting.

For those who already hold a master’s degree or higher in an education field, a 24-credit Modified Core option is also available.

REQUIRED COURSES

To successfully complete the Master of Education in Educational Leadership, students must earn 36 credits, as outlined below. Courses listed with a plus sign (+) require a grade of “C” or higher.

All courses are worth three (3) credit hours unless otherwise specified:
