2. Open the DC Canvas app
3. Under Courses, select Tutor.com

Doral College offers 24/7 online tutoring through Tutor.com, a service delivering quality, on-demand feedback from experienced tutors. This extensive online tutoring service is available to all enrolled students, free of charge. Students may select from various options including drop-in tutoring, scheduled tutoring, and email questions. Additionally, students may submit assignments to receive written feedback on an essay or paper. Students can submit writing samples for review, meet with tutors, or utilize a vast depository of resources. Links to Tutor.com appear in each live Canvas section for easy navigation.
